8800362599 | [gurleenkaurbali20@gmail.com](mailto:gurleenkaurbali20@gmail.com) | [linkedin](#)

## Profile

Adaptable and result-driven professional with a strong foundation in **data-driven decision-making, process improvement, and problem-solving**. Experienced in handling projects, preparing reports, and delivering insights to support strategy and operations.

## Education

<b>Guru Gobind Singh Indraprastha University</b>	2022 – 2025
Bachelor of Computer Applications	CGPA: 9.50
<b>S.S. Mota Singh Sr. Sec. Model School</b>	2010 – 2022
Class XII (CBSE)	Percentage: 94.4%
Class X (CBSE)	Percentage: 89%

## Skills

**Business & Reporting:** : Dashboard creation, Business reporting, Data storytelling, Trend analysis  
**Collaboration** : Teamwork, Communication, Documentation, Time management

**Data Tools:** : Excel, Tableau, Power BI, SQL  
**Analytical Skills** : Data analysis, Problem-solving, Research, Insight generation

## Projects

### Sales Dashboard using Tableau

[Dashboard](#)

- Built an **interactive Tableau dashboard** to analyze regional sales across 5 territories.
- Identified top-performing and underperforming markets.
- Delivered **actionable insights** that supports sales strategy optimization and improved visibility for management.

### IPCheck - AI-Powered Suspicious IP Detection

[Project Link](#) | [Live Project](#)

- Analyzed large volumes of activity logs to identify unusual or high-risk patterns.
- Extracted key features and metrics from raw data to detect suspicious logs .
- Improved efficiency of **risk tracking and monitoring** by making results more accessible to non-technical users.

### RAG Personal Chatbot using FAISS and SentenceTransformer

[Chatbot Link](#) | [Live Demo](#)

- Enabled **Q&A retrieval** by converting queries and prompts into embeddings.
- Leveraged retrieval and embedding techniques to summarize and extract key information from large textual datasets.

## Certifications

### Professional Credential

- **Oracle Cloud Infrastructure Generative AI Professional**  
[Badge](#)

### Courses & Virtual Experience

- Career Essentials in Generative AI (Microsoft & LinkedIn)  
[Certificate](#)
- Data Science Job Simulation(British Airways – Forage)  
[Certificate](#)

## Experience & Training

### Data Science Trainee — Shape MySkills

Jul – Aug 2024

- Applied **ML classification algorithms** (logistic regression, decision trees) on structured datasets, achieving **85% accuracy** in health predictions.
- Gained hands-on experience in **data preprocessing, feature engineering, and model evaluation**, strengthening foundations in ML pipeline development.
